

Ahead of the curve with the new **ATLAS CURVED STAIR LIFT**

“ My Atlas curved stair lift has made my life so much easier, I can now keep active in my own home again. ”

THE ATLAS CURVED

FOR FULLY INDEPENDENT LIVING

BECOME INDEPENDENT IN YOUR HOME

Your stairs should never be your biggest obstacle while aging in place. Negotiating the stairs shouldn't stop you from doing the things you want to do.

By choosing the Atlas curved stair lift, you can continue enjoying your entire home without worry.

A RAIL DESIGNED AROUND YOUR HOME

The Atlas rail is specifically designed to fit your staircase, no matter the shape.

The durable powder coated rail gives stability and ensures a smooth ride around each corner giving the best ride possible.

Give peace of mind to yourself and others by installing an Atlas in your home.

With minimum assistance from others and its made-to-measure rail, the Infinity stair lift will keep you in good hands.

FEATURES AND BENEFITS

1 HYGIENIC SEAT COVERS

The Atlas has removable covers for a deeper clean and help keep the stair lift looking great — for years to come.

2 SIMPLE TO CONTROL

The ergonomically designed control switch gives the user complete comfort for users with dexterity issues.

3 EASY SWIVEL LEVER CONTROLS

Tilting the lever makes it easy and safe getting on and off the stair lift when it reaches the top of the stairs.

4 STOP MOTION

The Atlas Curved will come to a halt if the sensors in the footrest discover an obstacle on the stairs.

5 SLIM AND STYLISH

Without compromising comfort, the Atlas is one of the slimmest stair lift seats, folding closer to the wall.

6 FOLDING ARMS AND FOOTREST

Easy to fold away giving room to other staircase users.

7 SEATBELT

The retractable seatbelt ensures the user can feel safe and secure when operating the Atlas Curved.

8 FOOTREST LEVER

The lever puts the footrest down with minimal bending and discomfort to the user.

ATLAS CURVED STANDARD FEATURES

The Atlas curved stair lift include the following as standard.

RETRACTABLE SEATBELT

Just like a car seatbelt, easy to adjust and use, giving the user the best comfort and safety possible whilst operating the stair lift.

LOCKING KEYS

Two keys are included for locking the stair lift in an off position for added safety, preventing unwanted operation.

REMOTE CONTROLLED

Two remote controls are supplied giving simple and convenient operation. The stair lift to be called or sent up the staircase when it's not being used.

COMFORT AND CONTROL

The soft start/stop function is enhanced by the complete comfort of the padded seat, backrest and ergonomic controls.

PARKING COULDN'T BE EASIER

The seat and footrest are easily folded up giving you more space when the Infinity isn't being used.

With a powered swivel option available, this makes the Atlas stair lift even more practical and convenient to have in your home.

OPTIONAL FEATURES

The following options are available to make your life even easier with your stair lift in your home.

POWERED SWIVEL

Making life easier for the user to turn the seat easily with the touch of a button. Ideal for users with dexterity issues.
